Non-League

Ridgefield finished its non-league schedule with a short sweep of the Northwest Star Nighthawks, winning 9-0 on Wednesday and 5-4 on Tuesday. The Raptors won all four games against the Nighthawks this season.

Final Sprint

The Raptors only have six games left in the regular season. Three of the games are at home against the Walla Walla Sweets, and the last three on the road against the Yakima Valley Pippins.

This year, the Raptors are 0-3 against the Sweets but 2-1 against the Pippins. The Raps played both opponents earlier in the season in June.

In 2024, Ridgefield finished 4-2 against Walla Walla and 3-3 against Yakima Valley.

Scouting the Sweets

Walla Walla had three All-Stars in Bellingham, and Arizona's Gunner Geile was named to the roster as an outfielder. The sophomore has two home runs, four doubles and a triple this season.

As a pitching staff, Walla Walla's ERA is 6.26. The Sweets are 10th in the WCL in strikeouts (343).

New in the Nest

Modesto Junior College sophomore started in both games of the Northwest Star series. Ridgefield native Liam Ostrom stole the show against the Nighthawks, finishing the series 5-for-7 with two walks and three runs scored.

Raptors Look Ahead

Friday and Saturday's games will start at 6:35 p.m. Game 3 on Sunday will begin at 1:05 p.m. at the RORC.

After the series against Walla Walla, the Raptors will travel to Yakima to conclude the season with a three-game road series against the Pippins.
